Say like this

I am good.

Explanation

Ay is good.

The original sentence 'Ay is good' contains a spelling error ('Ay' instead of 'I') and uses incorrect tense agreement ('is' instead of 'am'). The corrected sentence 'I am good' offers proper grammar and matches the standard usage for this phrase.

Good try! The word "last" here doesn't fit. We might say: "Yes, I'm meeting my friends before the launch tomorrow."

Who are you meeting after the launch?

¡Buen intento! La palabra "último" aquí no encaja. Podríamos decir: "Sí, me reuniré con mis amigos antes del lanzamiento mañana."

¿Con quién te reunirás después del lanzamiento?

The Present Continuous can express definite plans for the future. For example, 'I am visiting my grandparents this weekend' tells us about a single, confirmed plan. Use time expressions to make the future intention clear.
